

CONFIDENTIALITY STATEMENT

As a student of the Faculty of Education of the University of South Bohemia in České Budějovice, within the scope of my studies—especially during the completion of student teaching placements and the fulfilment of assignments for university coursework—during which I come into contact with personal and sensitive data,

I hereby declare that I am aware:

- that I am obliged to maintain confidentiality regarding personal and sensitive data;
- that I will not misuse such personal data for my own benefit or for the benefit of third parties;
- that I will not expose such personal data to access by unauthorized persons nor to the risk of loss;
- that the faculty is entitled to claim compensation from me for any material damage that I may cause to the faculty or to third parties by breaching these obligations;
- that the processing of assignments for student work is a condition for completing my studies, and depending on the chosen assignment, personal or sensitive data may be processed; in such cases, this constitutes private or occasional data processing by the student as a natural person for their own personal use, and therefore GDPR does not apply to this processing; if the student includes data relating to specific individuals in their student work, the Faculty of Education of the University of South Bohemia does not become the data controller;
- that if the student work is part of a scientific/research project carried out by the university or its employee, the work is subject to GDPR; in such a case, I am obliged to maintain confidentiality regarding personal and sensitive data that I learn in connection with my participation in the project and to follow the instructions concerning personal data protection provided by the project leader;
- that I must maintain this confidentiality indefinitely, i.e., even after the completion of my placement and studies;
- that this confidentiality obligation does not apply in cases where the law imposes a duty to report certain facts.
